NOW COMES Leland Foster, individually, by and through the undersigned counsel, Owen B. Dunn, Jr. and Valerie J. Fatica, Counsel for Plaintiff, who hereby files this Complaint against the named Defendant for injunctive relief, damages, attorneys' fees, litigation expenses, and costs pursuant to the Americans with Disabilities Act, 42 U.S.C. § 12181 *et seq.* ("ADA"), alleging as follows:

**JURISDICTION AND VENUE**

1. This action is brought by the Plaintiff, Leland Foster, individually, and on behalf of individuals similarly situated, pursuant to the enforcement provision of the American with Disabilities Act of 1990 (the "ADA"), 42 U.S.C. § 12188(a), against the Defendant as delineated herein.
2. The Court has jurisdiction pursuant to the following statutes: 28 U.S.C. § 1331, which governs actions that arise from the Defendant's violations of Title III of the ADA, 42 U.S.C. § 12181, *et seq.*; 28 U.S.C. § 1331, which gives the District Courts original jurisdiction over civil actions arising under the Constitution, laws, or treaties of the United States; 28 U.S.C. § 1343(3) and (4), which gives District Courts jurisdiction over

actions to secure civil rights extended by the United States government; and 28 U.S.C. § 1367, as Count II utilizes the same core of operative facts as Count I, and is therefore subject to supplemental jurisdiction.

3. Venue is proper in the Northern District of Ohio as venue lies in the judicial district of the property *situs*. The Defendant's property and/or operations, as complained of by Plaintiff, are located in this judicial district, where the business of public accommodation is conducted, including the acts complained of herein.

### **PARTIES**

4. Plaintiff, Leland Foster ("Plaintiff" or "Mr. Foster"), is a Fulton County, Ohio resident, is *sui juris*, and qualifies as an individual with disability as defined by the ADA, 42 U.S.C. § 12102(2), 28 C.F.R. 36.104.
5. Defendant **Tolson Investments, LLC**, upon information and belief, owns the property located at 570-584 W Dussel Dr, Maumee, OH 43537 in Lucas County, Ohio, which is a shopping center known as "Scrambler Marie's Shops." Plaintiff has patronized Defendant's property and the facilities thereon previously as a place of public accommodation, and he has experienced the barriers to access complained of herein.
6. Upon information and belief, the facility owned or operated by the Defendant is non-compliant with the remedial provisions of the ADA. As Defendant either owns, leases, leases to, or operates a place of public accommodation as defined by the ADA and the regulations implementing the ADA, 28 CFR 36.201(a) and 36.104, Defendant is responsible for complying with the obligations of the ADA. Defendant's shopping center is a place of public accommodation. Defendant's property fails to comply with the ADA and its regulations, as also described further herein.

7. Mr. Foster is an individual diagnosed with cerebral palsy and permanently uses a wheelchair for mobility. Plaintiff has difficulty grasping with his hands also as a result of his disability. As such, he is substantially limited in performing one or more major life activities, including but not limited to, standing and walking, as defined by the ADA and its regulations thereto.
8. Mr. Foster is a Fulton County, Ohio resident and frequents the parks, restaurants, shopping centers, businesses and establishments of Lucas County and surrounding area, including the Defendant's property that form the subject of this complaint.
9. On March 2, 2018, March 10, 2018 and on many previous occasions, Plaintiff patronized the Defendant's property, and he plans to return to the property to avail himself of the goods and services offered to the public at the property. The Plaintiff has encountered architectural barriers at the subject property. The barriers to access at the property have endangered his safety and protected access to Defendant's place of public accommodation.
10. Completely independent of the personal desire to have access to this place of public accommodation free of illegal barriers to access, Plaintiff also acts as a "tester" for the purpose of discovering, encountering, and engaging discrimination against the disabled in public accommodations. When acting as a "tester," Plaintiff employs a routine practice. Plaintiff personally visits the public accommodation; engages all of the barriers to access, or at least all of those that Plaintiff is able to access; and tests all of those barriers to access to determine whether and the extent to which they are illegal barriers to access; proceeds with legal action to enjoin such discrimination; and subsequently returns to the premises to verify its compliance or non-compliance with the ADA and to otherwise use

the public accommodation as members of the able-bodied community are able to do. Independent of other visits, Plaintiff also intends to visit the premises annually to verify its compliance or non-compliance with the ADA, and its maintenance of the accessible features of the premises. In this instance, Plaintiff, in Plaintiff's individual capacity as customer and as a "tester," visited the shopping center, encountered barriers to access at the shopping center, and engaged and tested those barriers, suffered legal harm and legal injury, and will continue to suffer such harm and injury as a result of the illegal barriers to access and the ADA violations set forth herein.

11. Plaintiff has a realistic, credible, existing and continuing threat of discrimination from the Defendant's non-compliance with the ADA with respect to this property as described but not necessarily limited to the allegations contained in this complaint. Plaintiff has reasonable grounds to believe that he will continue to be subjected to discrimination in violation of the ADA by the Defendant. Plaintiff desires to visit the Defendant's place of business again on future occasions, not only to avail himself of the goods and services available at the property but to assure himself that this property is in compliance with the ADA so that he and others similarly situated will have full and equal enjoyment of the shopping center without fear of discrimination.
12. The Defendant has discriminated against the individual Plaintiff by denying him access to the full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of the buildings, as prohibited by 42 U.S.C. § 12182 *et seq.*
13. The Defendant has discriminated, and is continuing to discriminate, against the Plaintiff in violation of the ADA by failing to, *inter alia*, have accessible facilities by January 26, 1992 (or January 26, 1993, if Defendant has 10 or fewer employees and gross receipts of

\$500,000 or less).
